Serving regional cooperation between French territories and Pacific States

Who are we ?

The Economic, Social and Cultural Cooperation Fund for the Pacific or “Pacific Fund” is **one of France’s regional cooperation instruments in the Pacific**. The Pacific Fund is financed by the **French Ministry for Europe and Foreign Affairs (MEAE)** and contributes to the **regional integration of New Caledonia, French Polynesia and the Islands of Wallis and Futuna** through cooperation with the Pacific States.

Eligibility criteria

Projects submitted must :

- **Associate at least one of** the three French territories in the Pacific (New Caledonia, French Polynesia, Wallis and Futuna) in a **partnership with** an independent Pacific State.
- Include **mandatory co-financing** : the Pacific Fund contribution must not exceed 50% of the total project cost.

Priorities for the 2026 call for proposals

Priority will be given to **scaled projects** that are likely to have a lasting, **concrete** and **perceptible** impact for the **beneficiary populations**. As such, projects that result in the implementation of **light infrastructure** with low maintenance requirements for populations will be preferred.

Applications for the organisation of symposium or conferences for which the required grant is to finance travel expenses **will not be prioritized**.

The eligible themes for 2026 are those related to **sport**, as a vector of cooperation and exchanges between Pacific territories and States, the development of the **audiovisual** sector and promotion of the **Francophonie**. More broadly those related to the “**Strategic Plan 2022-2031**” of the Pacific Community and the “**2050 for the Pacific Blue Continent**” strategy of the Pacific Islands Forum, in particular : **climate resilience, food security, sustainable economy, public health, protection of natural resources, connectivity and social development**.

Finally, a **cross-cutting priority** objective will aim to enhance the **commitment of young people from French Pacific** territories in the region, which can in particular rely on the deployment of international solidarity volunteers.

The project sheet and budget

A **project sheet** and a **budget mock-up** are attached to this call for projects. Complete documents contribute to the selection of a project.

Do not hesitate to ask for help from the French Embassies or the High Commission in the french territories

Submission and selection of projects

Projects must be sent to the Permanent Secretariat for the Pacific (SPP) at the following address : fondspacifique.spp@diplomatie.gouv.fr by **31 December 2025**.

A steering committee will meet in the first quarter of 2026 to decide on the allocation of grants.
